Presents

Arc's Strategic Planning Meeting

A Strategic Plan is an organization's answer to 3 basic questions:

"What do we do?"

"Who do we serve?"

"How do we excel?"

In this meeting, Arc Families and Volunteers will meet to review and discuss Arc's Strategic Plan for the future, including:

Quality of Service, Program Development, Future Expansion Projects, Fundraising, Public Relations, Southeast Banquet and Conference Center, and Facility Maintenance.

During the course of the evening, we will break into focus groups to get your input on positive advancements for Arc. We will also handout a Family Satisfaction Survey to get greater feedback about your needs and ideas.

ALL FAMILIES AND CAREGIVERS ARE HIGHLY ENCOURAGED TO ATTEND.
